

## Joe Nichols Jr. to Share His Story at Convention

**Franchise owner to address attendees on how the power of positive thinking has shaped his life since a car accident in 1984 left him confined to a wheelchair.**

In just over 10 weeks, members of the Unishippers community will be in sunny Orlando, Florida for the 2008 Annual Convention and Sales Meeting at the Rosen Centre Hotel. Be sure to mark your calendars for January 23-25, 2008, as this will be the most important meeting of the year.

During convention, you won't want to miss a memorable message from fellow franchise owner, Joe Nichols Jr., as he shares his inspirational story of creating "a life that matters" thanks to positive thinking and the power of association. Joe will be speaking in the first general session on Thursday morning, and you won't want to miss it.
